

Dear \_\_\_\_\_,

*Could you some extra cash for you and your family?* Well, it's time to Clean Out and Cash In on your unused and too small kids stuff! I am participating in the Wee-cycle Mart Children's Consignment Sales this spring. They are not a store but a 3 day event at a local hall. You'll get more for your items then a yard sale and sell it faster than a consignment shop!!! The sale benefit in part the Local Food Bank.

It's super easy to consign with them and they **pay up to 100% commissions on your sold items**. You also do NOT have to be at the sale to consign with them!

Wee-cycle Mart accepts all new and like new items from Maternity to Teens! Including clothing, toys, books, art & crafts (scrapbooking stuff too), costumes, baby equipment and sports stuff!

For more details and to register to be a consignor, visit their website [www.wee-cyclemart.com](http://www.wee-cyclemart.com). **Please be sure to enter my FIRST AND LAST NAME under Friend when you register so I get credit for referring you!**

Hope to see you at the sale!
